Code: **07HS06**

Reviewed/ Revised: **26/07/2022**

Date of Next Review: **February 2024**

Policy Owner: **Director of Operations**

Target audience: **All EAHM Students, Staff, Faculty members and Residents**

PURPOSE

The purpose of this policy is to set out a framework for the rules and regulation, user access and restrictions of the Sports and Leisure facilities on Campus.

SCOPE

This policy applies to all members of EAHM community, including students, Faculty, staff and residents of the accommodations and lodging.

The policy covers rules and regulations, user access and restrictions for the following Sports and Leisure facilities: Gym, Pool, sun loungers, barbeque area, Student Lounge (Barza), changing rooms, multifunctional sport facility, and Tennis court.

DEFINITIONS

In this context, "**student/s**" includes active Student Alumni, full- and part-time degree students and exchange students, as well as participants in short courses and professional development. Access rights to computing and network facilities differ with the type of student but the guidelines for use are the same for all users.

Barza: is the student lounge located at the club house area of the campus grounds near the pool and student accommodation and lodging.

WC Team: Welcome Centre team handling student accommodations, lodgings and faculty villas

POLICY STATEMENT

EAHM provides sports and leisure facilities to the above-mentioned groups and ensures that the rules and regulations, user access and restrictions of the facilities are constantly enforced and executed as per the EAHM standards with the proper teams and 3rd party suppliers.

RESPONSIBILITY

It is the responsibility of the Director of Operations to enforce the policy and deploy the necessary department, teams and 3rd party suppliers for the upkeep of the facilities.

The Director of Operations is responsible for ensuring that this policy is kept up to date and is reviewed according to the agreed schedule.

IMPLEMENTATION OF THE POLICY

To successfully enforce the policy a clear framework is set starting from User access and restrictions to rules and regulations.
